***Response to Amendment***

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In regard to:

Claims 1-8:

Reasons are given in office action dated Aug. 18, 2004.

Claims 9-12:

The primary reason for the allowance of claims 9-12 is the inclusion of the limitation of a vacuum cleaning means for providing a movement of said cleaning solvent over the nozzle plate, and for removing said cleaning solvent and debris from said nozzle plate. It is this limitation found in each of the claims, as they are claimed in the combination that has not been found, taught or suggested by the prior art of record, which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
